

Privacy Notice

The RFU North Competitions Committee is committed to maintaining the trust and confidence of visitors to our website.

In this Privacy Policy we've provided detailed information on when and why we collect your personal information, how we use it, the limited conditions under which we may disclose it to others and how we keep it secure.

Access to your personal information

You are entitled to view, amend, or delete the personal information that we hold. Email your request to our Data Protection Officer.

Visitors to our website

Google analytics

When someone visits www.RFUNorth.com we use a third party service, Google Analytics, to collect standard internet log information and details of visitor behaviour patterns.

We do this to find out things such as the number of visitors to the various parts of the site. This information is only processed in a way which does not identify anyone.

We do not make, and do not allow Google to make, any attempt to find out the identities of those visiting our website.

Links to Other Web Sites

This privacy notice does not cover the links within this site linking to other websites. Those sites are not governed by this Privacy Policy, and if you have questions about how a site uses your information, you'll need to check that site's privacy statement.

Cookies Policy

Our website uses cookies to collect information. This includes information about browsing behaviour by people who access our website.

Cookies are text files containing small amounts of information which are downloaded to your personal computer, mobile or other device when you visit a website.

Cookies are then sent back to the originating website on each subsequent visit, or to another website that recognises that cookie. Cookies are useful because they allow a website to recognise a user's device.

How long are cookies stored for?

Persistent cookies - these cookies remain on a user's device for the period of time specified in the cookie. They are activated each time that the user visits the website that created that particular cookie.

Session cookies - these cookies allow website operators to link the actions of a user during a browser session. A browser session starts when a user opens the browser window and finishes when they close the browser window. Session cookies are created temporarily. Once you close the browser, all session cookies are deleted.

Cookies do lots of different jobs, like letting you navigate between pages efficiently, remembering your preferences, and generally improve the user experience.

You can find more information about cookies at www.allaboutcookies.org and www.youronlinechoices.eu

Third Parties

We won't sell, rent or trade email lists or data with other companies and businesses for marketing purposes.

Changes to this Privacy Notice

We regularly review this Privacy Notice to make sure the RFU North Competitions Committee is compliant with the latest data protection laws.
